

Samantha Siegel Kamin, MA, LPC
Child and Adolescent Psychotherapist

POLICIES

Parents & Guardians

- I am primarily your child's therapist. I may provide parent consultations to help you gain greater understanding, relate differently with your child, or offer ideas to help with behavior at home. I will, however, refer you to someone else for individual or couples' psychotherapy if I feel it would be beneficial for you, your child, and your family.
- I do not make assessments or recommendations regarding parenting time or custody, and prefer not to be involved in court proceedings or custody cases. If I am subpoenaed and asked to appear in court, I charge a minimum of 4 hours at my regular rate of \$120/hour.
- I do not make recommendations regarding education. I am not an educational professional and therefore cannot provide assessment or diagnosis of learning challenges. If I suspect that it may offer a deeper understanding of symptoms, I will refer you to a professional who specializes in such testing and diagnosis.

Telephone Calls, Texting, Emails & Emergencies

- I do not provide 24 hour emergency services. If you have an emergency please call your local 24-hour crisis line listed in the front of your phone book or call 911. The telephone number for Emergency Psychiatric Services in Boulder County is 1-844-493-TALK (8255) or 303-447-1665.
- I am available to return business calls between 11am and 7pm, Monday through Thursday.
- When a phone call involves counseling/consultation and lasts 15 minutes or more, I will bill on a pro-rated basis at my normal session rate.
- Please be specific if you are calling about an urgent matter and leave detailed information as to when and where you can be reached. I may not be able to respond immediately, but will do so as quickly as possible.
- Emails and texts cannot guarantee confidentiality and should therefore be used only for scheduling.

Cancellations

Since I have reserved your appointment time exclusively for you, it is the policy of Mindfully Me to receive at least a 24-hour cancellation notice or you will be charged for the appointment.

Termination

As is your right as a client, you may terminate services at any time, however, I ask that you provide at least a 1 session notice before terminating to honor the ending of the therapeutic relationship and process.

Policy Statement Acknowledgement
